

## **SERVICE INFORMATION LETTER**

Subject: iOS 9

Applicability: GDC64

This Service Information Letter (SIL) is issued to inform operators and installation shops of possible issues when upgrading to iOS 9. The GDC64 has not been verified to work properly with iOS 9. Do not upgrade to iOS 9.0 until further notice. iOS 9 has known issues with providing position to older apps.

Please contact DAC customer service for further information.
