## **6. Applications**

- 6-1) Masking and protection for delicate surfaces.
- 6-2) Surface and edge protection for metals, wood, plastic, stones, ceramics, glass, painted surfaces
- 6-3) Quick repair
- 6-4) A convenient tape for an emergency kit, outdoor activities, construction fields, home and school.

## **7. Cautions and How to Use**

- 7-1) Avoid prolonged contact with skin. May cause irritation.
- 7-2) Do not use as an electrical insulation tape.
- 7-3) Avoid using on PVC, natural marble stones, unfinished wood, decorated wooden boards, uncured coating or delicate surfaces. This tape may damage the surfaces and/or leave residue.  
Test before use if residue is a concern.  
A 91 % isopropyl alcohol (IPA) available at drug stores easily removes residue if any.
- 7-4) Use only clean, dry surfaces.
- 7-5) For best performance, use within 6 months of purchase. Store in a dark, dry, cool place.

## **8. Limitation of Remedy and Liability**

Replace of the product or refund of the purchase price, at the purchase price, at our option, shall be your exclusive remedy. We will not be liable for any loss or damage arising from this product, whether direct, indirect, special, incidental, or consequential.
